Making the Gospel Accessible to the 38 Million People in Poland

A Message from Your Ambassadors

Dear Faithful Partners,

Our three month summer mini-furlough was necessary to raise lacking support and to return Johanna to the U.S. to begin university. We accomplished that and more as we took six interstate trips and many local opportunities to complete these goals. We met with churches, visited faithful partners and settled our children into new places of study, work and ministry. We moved Ryan into the barracks at Quantico Marine Base where he serves as a Marine Bandsman. We moved Annelise and Christian into their first apartment in Lynchburg, where Annelise is pursuing her Paralegal Certification, and Christian studies business at Liberty (Junior). And, we moved Johanna into her dorm at Cedarville, where she studies Computer Engineering (Freshman). While we would have liked to visit every partnering church and individual, we were happy to meet as God gave opportunity.

With Love and Gratefulness,

Ed & Leslie Schick

Language School 2

The first Day of Language School Year 2 is October 1. Our goal: learn to use the basic building blocks of grammar that we learned last year more quickly and naturally in everyday speech. We also hope to build our vocabulary base. We will be attending KUL in Lublin, Poland where we will be full time students.

Financial Report

Monthly Committed. 100%
Monthly Need. **\$0**
Next 12 Months Need. **\$5,471**
Language School Year 2. **\$6,700**

Praise the Lord! The funding for our second year has been promised and given. Our number of committed church and individual partners is still low but generous single gifts have paid for our language school tuition and the "Gap Support" that gives us 100% for 2015. Having this year funded allows us to concentrate on our language studies as we prepare for long term, in-depth ministry in Poland.
